

Corrigendum & Response to Queries Against RFP for PRE Printed PVC cards

S. No	Reference Point	As per tender notice	Clarification required	Addition/ Modification/ Clarification
1.	As per tender notice point 1 (1.1)	Supply of Pre Printed Plastic card within 10 days from the date of handing over the work - order.	In the meeting vendors requested to permit a minimum time of 4 weeks from handing over the work order. Supply to start from 3 rd week onwards. Because preparing & supply of over 1 million cards with the specifications as mentioned will be a challenge as manufacturing these cards involves lots of processes.	Supply of Pre Printed Plastic cards to start from 2nd week and complete the same within 4 weeks from the date of handing over the work - order
2.	As per tender notice point 'personalization' Note	The bidder has to supply a laboratory test report certifying all the specifications mentioned above vis-à-vis Pre-printed security plastic cards quoted by bidder. The report shall be supplied with both the bid and at the time of final supply by the successful bidder.	As vendors desired that Lab report of the cards as produced by the selected bidder/ s upon production can be submitted. Getting the report from the Lab may take about 7-10 days. Submission of report with the BID would be difficult as bidder will produce the card only after getting the work order. It is also suggested that PSEGS should ask for an undertaking from all the bidders that the material will be supplied as per the specifications mentioned in the tender document. Report from the Lab can be submitted by the successful bidder/s upon execution on order.	In addition to existing clause: <ul style="list-style-type: none"> • Lab report of the PVC card shall be submitted by the selected bidder/ s within 7-10 days.
3.	As per tender notice point 5.3	The vendor should be in a business of manufacturing,	As per discussion Vendor desired to change the eligibility criteria from 2 years to 1 Year.	No Change

		supplying of plastic cards as per the specification of VISA & Master Card in India for at least immediate two years as on the date of bid submission.		
3.	As per tender notice point 5.7	The bidder must have experience in manufacturing and supplying 2 million pre-printed security plastic cards using PVC/PETG including security printing to any of citizen centric ID project to government organization in India.	It has been requested by vendors to change it to “experience in manufacturing & supplying 2 million pre- printed plastic cards using PVC/PETG to any government organization in India” .	No Change
4.	As per tender notice point 5.9	The bidder should be certified for minimum ISO 27001:2005 specification for information security management	In the discussion it was suggested by the vendors as this particular tender is only for the supply of pre-printed card bodies and has no relationship to the personalization of data of elector, So it requested to remove this point completely “certification	No Change
