43.8 tonnes of vegetables, fruits provided to people

S. A. S. Nagar, April 4:

As part of its commitment to provide adequate amount of essential supplies such as vegetables and fruits to the people at their doorsteps, the District today saw a total of 43.8 tonnes of vegetables and fruits to the people.

Divulging more details, the DC Girish Dayalan said that the Market Committee Kharar saw arrival of 295 quintals of vegetables and fruits, Market Committee Kurali saw 8 quintals, Market Committee Banur saw 74.50 quintals, Market Committee Derabassi saw 18 quintals, Market Committee Lalru saw 42 quintals which made it a total of 438 quintals i.e. 43.8 tonnes.

The DC further reiterated that the District Administration would ensure that the supply chain of essentials to the people at their doorsteps is intact.

Sale of Eggs, Poultry Meat, Meat & Fish allowed as essential commodities

S. A. S. Nagar, April 4:

The District Administration has given go ahead regarding the sale of Eggs, Poultry Meat, Meat and Fish as essential commodities within the territorial limits of the District during the lock down period.

Divulging this, the DC Girish Dayalan said that as per a recent notification by the Union Home Secretary, the chicken and eggs are the cheap source of protein and boost the immunity of the human body and besides this, the COVID-19 is not spread through poultry and poultry products.
Hence, keeping in view the above development, people of the district can place orders at rural and urban outlets for delivery of above products at their doorsteps.

Chief Minister takes feedback on video call from Sarpanch of Balongi

S. A. S. Nagar, April 4:

The Chief Minister Captain Amarinder Singh today had a video call conversation with the Sarpanch of Balongi village Bahadur Singh in order to take feedback to know the issues being faced by the public in view of the curfew restrictions and COVID-19 pandemic. The Chief Minister also took stock of the relief operations being undertaken by the State Government at the grassroots level in this hour of distress.

The President of the Jat Mahasabha Delhi and social worker Deepika Deswal, who is serving the people in rural areas, arranged the conversation of the Chief Minister with the Sarpanch of the village. She said that her aim is to help the people in dire straits in this hour of crisis apart from ensuring the direct connect of the Chief Minister with the common people which would act as a huge morale booster for the latter to face the situation with courage.

This eminent social worker also distributed ration to the people at balongi village besides helping with the Sanitization work. Before this, she has undertaken such work in the villages of Moga.

Three more corona virus positive cases come to fore

55 samples of Jagatpura village test negative for corona virus

Purab Apartments to be temporary home for those government officials with maximum risk of exposure to COVID-19, choosing not to go home
S. A. S. Nagar, April 4:

Three more corona virus positive cases have been reported in the district today. One of them is an 80 year old woman while the other one is also a woman aged 55 years. They are the close contacts of the Ludhiana case (69 year old woman). Their samples were collected from home in Sector-91 and after they tested positive they were admitted in Gyan Sagar hospital. The result of samples of their three contacts is awaited. Besides this, A male resident of Jawaharpur Derabassi aged 43 has also tested positive for the corona virus and is admitted at GMCH 32. The both areas i.e. Sector 91 and Jawaharpur have been sealed as a precautionary measure. This was disclosed by the DC Girish Dayalan.

He also said that the samples, 55 in total, of village Jagatpura within Mohali Municipal limits, have been found negative. But the containment procedure is being strictly followed as a precautionary measure. The result of 40 more reports are awaited.

The Deputy Commissioner further said that the Health Department of the District had conducted a comprehensive health survey in Jagatpura village where one positive case recently came to light.

The DC also elaborated that Purab Apartments has been arranged as a temporary accommodation for those at maximum risk of exposure to the COVID-19, such as Health, Police and Civil Administration officials, who don't want to go home because of having elderly parents and young children.
