2. All the Zonal IGPs, Commissioners of Police, DIGs and SSPs in the State

No.SS/ACSH/2020/292

Dated: Chandigarh, the 13<sup>th</sup> April, 2020.

Sub: **Exemption to spare parts shops, repair workshops and packaging industry from lockdown restrictions.**

It appears that there is some confusion regarding opening of spare parts and repair workshops and exemption to packaging industry from lockdown restrictions at the district level.

2. Ministry of Home Affairs, Government of India had, vide its 4<sup>th</sup> addendum dated 03.04.2020, granted some relaxations. Upto date consolidated guidelines were, vide this office letter No. SS/ACSH/2020/286 dated 04.04.2020 (copy enclosed for ready reference), accordingly issued to all the district authorities.

3. Your attention is invited to relevant exemptions –

(i) Para 4(n) :

Shops of agricultural machinery, its spare parts (including supply chain) and repairs to remain open.

(ii) Para 4(o):

Shops for truck repairs on highways, preferably at fuel pumps to remain open.

(iii) Para 5(d):

Manufacturing units of packaging material for food items, drugs, pharmaceutical and medical devices, including Ayush drugs.

(iv) Para 5(e):

Manufacturing and packaging units of Fertilizers, Pesticides and Seeds

(v) Para 6(f):

Intra and inter-state movement of harvesting and sowing related machines like Combine Harvesters and other agricultural/horticultural implements is allowed.

It may accordingly be seen that shops for agricultural machinery including tractors shall remain open. However, Government of India has not yet permitted manufacturing of tractors during lockdown. Packaging industry engaged in essential commodities as mentioned above is also exempted from restrictions.

Consolidated guidelines as on 13-04-2020 are enclosed herewith.
