Sub.- Updated “Containment Plan” for large outbreaks of COVID-19 in Punjab.

In reference to the subject mentioned above, guidelines have been received from Govt. of India regarding updated containment plan for large outbreaks Novel Coronavirus (COVID-19). As per the updated Containment Plan, the large outbreak has been defined as localized increase in the incidence of COVID-19 cases occurring within a defined geographical area e.g in a village, town or city. The cases may or may not be epidemiologically linked. For optional purpose, a large outbreak is deemed to be present when there are 15 or more cases. Please find attached the updated Containment Plan.

This is for your information and necessary action.
