www.covidhelp.punjab.gov.in
The residents of district Moga, who are stranded in other states due to covid lockdown imposed in nation, should get themselves registered at www.covidhelp.punjab.gov.in to come back to the district.

Giving this information here today, the Sub Divisional Magistrate (SDM) Moga Mr Satwant Singh stated that on orders of Deputy Commissioner Moga Mr Sandeep Hans district administration appeals those willing to return to the district to get themselves registered at the aforesaid portal. While registering it is mandatory for the applicant to upload his or her medical fitness certificate as well. After registering at the portal, the applicant gets an e pass, whose print out can be pasted on the wind screen of vehicle on which one is coming to Moga. On reaching Moga, they should report at the de-addiction center in village Janer that has been turned into special facility for such people returning home. Here the applicant will once again have to undergo medical check up. If the patient is found asymptomatic, he or she would be sent home and asked to stay 15 days at home in quarantine.

He added that the people stranded in other states or their relatives can also contact the district administration Moga through specially floated four whatsapp numbers. People can send their queries at whatsapp numbers 83606-30465, 83607-22884, 77430-87321 and 62807-83422. While sending queries they should mention their name, address, mobile phone number and brief description of problems they are facing. He added that the district administration was committed to provide solution to all such problems of the residents of Moga.

He added that it was mandatory for those returning from other states to download Cova mobile application on their mobile phones so that the district administration can easily keep a tab on the movement and can provide them timely help. He appealed people to ensure that they start their journey in time and reach Moga within day time so that they can complete all the formalities in time and go back to their homes.
