The Chief Secretary of all States/UTs
(Through email)

Dear Sir/Madam,

Sub: Restrictions on public procurement from bidders of certain countries.

As you are aware, State Governments play a vital role in national security and the defence of India. The Government of India’s General Financial Rules have been amended to provide for restrictions on procurement from bidders from a country or countries or class of countries on grounds of defence of India or matters directly or indirectly related thereto, including national security. An Order has been issued thereunder requiring prior registration of bidders from countries sharing a land border with India. Copies of (i) the amendment to the General Financial Rules; (ii) Order (Public Procurement No. 1) dated 23rd July 2020 prescribing the requirement of registration; and (iii) Order (Public Procurement No. 2) dated 23rd July 2020 exempting a class of countries, are attached herewith.

2. Keeping in view the circumstances, it is imperative for the defence of India and national security that the same restrictions be applied in respect of procurement by State Governments and their public undertakings as well as in Public Private Partnership (PPP) projects receiving financing from state governments. Under the Seventh Schedule of the Constitution, defence of India as well as trade and commerce with foreign countries are in the Union List.
